The performance of this grant will be based upon the success achieved in relation to the goals established and approved by the Alaska Department of Labor, and will be reported in the Grantee's quarterly progress reports. Specific goals and objectives for this project are:

Southeast Regional Resource Center will provide training for 75 rural youth ages 16 - 24 from Yakutat to Metlakatla who are actively seeking employment and need a Driver's License to increase wages, gain new employment, improve job position, retain employment, or attend training or higher education that help lead to employment.

Each participant will complete the on-line driver training course, six hours of driving simulator practice, and complete the National Council for Alcoholism and Drug Dependence program (NCAAD) resulting in a certificate of completion for each. In addition each participant will complete 40 hours of practice driving. The final result will be each participant obtains a regular Alaska Driver's License. Learner's Permit Provisional Driver's License are not eligible in this program.

There is no area-wide driver training program available in Southeast Alaska. Some of the participants are not on the road system and not every community has a driver's licensing facilities. SERRC will provide training and driving practice. The on-line courses will be offered through the school district and SERRC offices.

The driver education instructor, van and trailer will be transported to outlying communities via the Marine Highway to conduct the hands on driving over the road training. Participants will no local access to a Department of Motor vehicle will travel to Juneau to finish their licensing requirement.
